Mosaic Bucket Bag
CROCHET-ALONG

PLANNING GUIDE + CHECKLIST
Welcome to the Mosaic Bucket Bag Crochet-Along.

In this guide you’ll find everything you need to plan your bag, including a breakdown of yarns used, a collection of finished bags to inspire your creativity, and a checklist of everything you need to complete each week of the CAL.

Join our fun, encouraging Facebook group and make your bag alongside thousands of other crocheters! It’s a great place to ask questions, get feedback, and ooh and ahh over everyone’s projects: fb.com/groups/yarnandchai

And last but not least, you’ll find the complete pattern (published according to the CAL schedule) and links to the tutorial videos at: yarnandchai.com/mosaicbucketbag

Let’s get started, shall we?

These diagrams break down the measurements of the bag by section when bag is laid flat. Approximate measurements for assembled bag are below. These are only meant to be a helpful guide, but you don’t need to panic if your measurements aren’t exactly the same!

**Classic Size**

ASSEMBLED (Standing up, base flat, uncinched):

- **Width**: 10”
- **Depth**: 5”
- **Height**: 10”

**Mini Size**

ASSEMBLED (Standing up, base flat, uncinched):

- **Width**: 7.5”
- **Depth**: 4”
- **Height**: 7”
**Picking Colors**

**TIPS FOR CHOOSING THE RIGHT YARN**

**COLOR A**

#4 medium

This color is used for the bottom and top portions of the bag. Choose a sturdy cotton or acrylic.

Light, medium, or dark colors will work.

**COLOR B**

#4 medium

Represented by the white in the illustration, this color provides the backdrop for the mosaic pattern. For best results, use the same type of yarn you used for COLOR A.

For good contrast, a light color such as white or ivory is recommended.

**COLOR C**

#3 DK, #2 sport, or #1 fine (a thinner #4 will also work)

Represented by the dark gray in the illustration, this color creates the mosaic effect. The thinner it is, the more COLOR B will show behind it.

Choose a solid, variegated, or ombre-style yarn. Get creative! It should coordinate well with COLOR A, and remember - the darker it is, the more the mosaic effect will stand out. Fiber content (cotton, acrylic, etc) doesn't really matter here.

**HOW MUCH YARN DO YOU NEED?**

**COLOR A**

Classic: 150 yds / Mini: 100 yds

**COLOR B**

Classic: 140 yds / Mini: 70 yds

**COLOR C**

Classic: 150 yds / Mini: 80 yds
Additional Supplies

ALL THE OTHER STUFF YOU’LL NEED

(8) 6mm or 8mm Eyelets
You can find packages of eyelets at craft stores, and they are usually available in colors like silver, gunmetal, and gold. Either size (6mm or 8mm) will work.

Eyelet Setting Tool
Sometimes this comes with your eyelets, but may need to be purchased separately. Just be sure to get the right size (6mm or 8mm)! You’ll also need a hammer.

(2) 1” D-Rings
Get the same color as the eyelets you chose.

(2) Swivel Lobster Clasps
Again, make sure these match your eyelets and D-Rings.

2mm or 4mm Craft Cord
This is for the drawstring. You’ll need two lengths of 34” each for the Classic size, and for the Mini size, two lengths of 30” each.

Shoulder Strap
Nylon or cotton ribbon (sold by the yard) is an economical choice, but feel free to get creative! Choose measurements based on the wearer; for adults, you’ll need about 42”, and for kids, about 30”.
