

DIY Christmas Tree Gift Card Holder

by Rebecca Langford

INSTRUCTIONS

Print template* on cardstock. Cut out each part and use 1/8" hole punch to punch wherever indicated by the small gray circles. (CUTTING MACHING users: cut template* on cardstock. Be sure the file is sized to 6.413" wide before printing.)

Using yarn needle with yarn doubled, **sew the lines of the tree** on the front section of the gift card holder, using image as a guide.

Tape down yarn ends onto the back of the card.

Hold both cards together and sew the border along the sides and bottom. Weave yarn into the border on the back of the card.

Add a star sticker to the top of the tree if desired.

Insert gift card, then use yarn or festive string or ribbon and the two holes at the top of the card to secure with a bow.
